PRESENTATION

An intense, magnificent, and wild triathlon

The XTRI SOLO POINT FIVE CANADA is a shorter course, but comparable to the Canada Man/Woman in its beauty and intensity.

XTRI SOLO POINT FIVE CANADA differs from the classic triathlon where thousands of volunteers are present to support you at every turn. You will have only yourself to rely on to reach the finish!

A breathtaking course amid Canadian woods and mountains that will push you to successively complete:

- A 1.9 km swim in Lac Mégantic waters, starting at dawn
- 90 km of biking along the Route des Sommets with an elevation gain of 1100 m;
- 20 km of running along roads and trails with the ultimate finish line at the summit of Mont Mégantic... following an elevation gain of 1100 m!

Race manual

This manual contains important information required to ensure the race unfolds smoothly, but also to guarantee your safety. **It is mandatory that you read and understand this manual.**

Headquarters

XTRI SOLO POINT FIVE CANADA headquarters are located at the following address:

THE COURSE

The start of the XTRI SOLO POINT FIVE CANADA will be held at the Parc de la Baie-des-Sables and the finish at the top of Mount Mégantic for a total distance of 112 km. You may also view the interactive maps on the event website.

from ending the race at the summit of Mont Mégantic, athletes will be redirected to an alternative trail with an arrival at the welcome center of Parc du Mont-Mégantic.

Course changes are possible due to weather conditions

For the safety of all participants, we have planned alternative courses for the swimming section as well as for the finish, at the summit of Mont Mégantic. If we must cancel the swimming section, the event will be launched from the Baie-des-Sables beach. If weather conditions prevent us

RULES

GENERAL

- All athletes must obligatorily have at least one assistant (see ASSISTANTS section below) and one vehicle.
- Biking and running sections are not closed to traffic. Athletes and assistants must always respect Quebec road safety regulations.
- Do not feed athletes outside official feed zones or on the bike section.
- Assistants may not precede or follow their athlete by car.
- Assistance vehicles must never hinder the progress of other athletes (can lead to disqualification of your athlete).
- All participants must be members of their national triathlon federation.
- Assistance vehicles must respect road safety regulations. Failure to comply will result in disqualification of your athlete.
- Assistance vehicles must follow the route set out by the organisers in the Assistant Road Book.
- In case of a major mechanical failure an athlete may call their assistant and meet at the location of the incident. In this case, the athlete must wait for their assistant. After the repair, the assistant must immediately return to the next official feed station.
- Assistance vehicles must be clearly identified with the stickers provided by the organization. One sticker must be affixed to upper right corner of front windshield, and the other to the upper right corner of back windshield (passenger side).
- In case of a major mechanical failure, an athlete may call the assistant and meet at the location of the incident. In this case, the athlete must wait for the assistant. After the repair, the assistant must immediately return to the next official feed station.
- Athletes must never enter their assistance vehicle unless they are withdrawing from the event.
- Earphones are forbidden at all times during the triathlon.
- Tossing litter on the ground is strictly forbidden.
- It is forbidden to ride along with the participant on the cycling section
- Athletes and assistants must use the toilets set up along the course (see list of toilets and restrooms along the course on page 17).
- If you withdraw from the race, YOU MUST call race management
- The organization reserves the right to remove a participant from the race if it considers this action to be necessary.

SWIMMING SECTION

- Wetsuits are **compulsory** for the swimming section.
- A white strobe light is **compulsory** for the swimming section to ensure athletes are visible.
- Torpedo buoys are **compulsory** for the open water swimming section.

BIKING and RUNNING SECTIONS

- Drafting is forbidden in the biking section.
- For the biking section, bikes **must** be equipped with lights: a white strobe light on the front of the bike and a red strobe light on the back of the bike.
- Participants **must** wear an approved helmet for the biking section.
- Bike changes are forbidden.
- A headlamp is **compulsory** for the running section.

PENALTIES

Race judges may impose time penalties or disqualify an athlete if he/she or his/her assistance team violates the rules. We strongly hope that the use of penalties will be unnecessary. XTRI SOLO POINT FIVE CANADA, like all other XTRI events, is a sports event that aims to highlight values such as pushing one's limits, mutual aid, and good sportsmanship.

Time penalties

- Minor penalty - 5 minutes
- Second penalty - 15 minutes
- Third penalty, major penalty, unsportsmanlike conduct or dangerous behavior - Disqualification
- Penalty for assistance vehicle on the cycling course - 30 minutes

TIME LIMITS

For safety reasons, the XTRI SOLO POINT FIVE CANADA organization will apply the following time limits:

Swimming :

7:25 a.m. at TR1 (1.10 hours after start)

Biking:

Noon at TR2 (5 h 45 after start)

Running: Entrance of Parc du Mont-Mégantic

3:15 p.m. (9 hours after the start)

The race director may decide to prevent an athlete from climbing Mont Mégantic for medical reasons following the doctor's advice, even if the athlete is within the time limits.

ASSISTANCE

The assistant's role consists of supporting their athlete throughout the course. Assistants must pick up all of their athlete's swimming and cycling equipment at both transition points.

Each participant must have at least one (1) assistant and one (1) vehicle. Note that only one vehicle is authorized per team. Recreational vehicles and trailers are forbidden. Assistants must have a mobile phone. For safety reasons, assistants must always be able to communicate with the organization.

It is forbidden to precede/follow your athlete while on the biking course. Organizers will offer a feed station at KM39.

Vehicles must not hinder the progress of other athletes.

This rule will be rigorously enforced. Failure to respect

it will result in the disqualification of the athlete whose assistant is at fault.

Assistants must retrieve their athlete's swim gear at TR1 as soon as the latter leaves the transition area to begin the biking section.

Assistants must retrieve their athlete's bike at TR2 as soon as the latter leaves the transition area to begin the running section.

Assistant vehicles will not be permitted at the summit. Shuttle service will transport teams back to the base so they can get their vehicles after the race. Park access and shuttle service is included for the athlete and one assistant.

Others can also use the shuttle to get to the summit (with park access purchased before boarding). Purchase

park access ahead of time at <https://www.sepaq.com/fr/reservation/achat/acces-quotidien>. It is also possible to hike up (5km).

Note that the average nighttime temperature at the summit is 0°C.

FEED STATION

Bike

The organization will provide a feed station at KM40.

Run

Feed stations will be offered at KM11 (Refuge des Pèlerins) and KM15 (Col des Trois-Sommets). There are course sections where athletes will be alone for several kilometers, so they must transport adequate supplies (food, water) to be autonomous for these sections.

MEDICAL ASSISTANCE

A medical assistance team will be present along the course, at transitions, and at the finish line. An emergency telephone number will be given to assistants at the race meeting. The organization reserves the right to remove a participant from the race if the race doctor considers this action to be necessary.

Caution: Due to the nature of the event, you must be as autonomous as possible. It may take the medical assistance team a long time to reach you because of the course type.

In October, you may encounter winter conditions on Mont-Mégantic (snow, below freezing temperatures).
